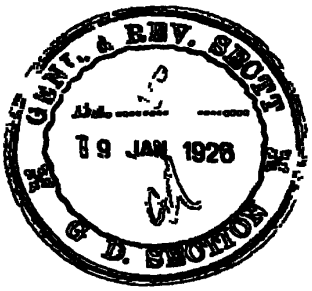
Under Government Order No R 16474-9b/ M1 184-16-23 dated the 24th June 1919, every Municipality with a normal three annual income of Rs7,000/- and above is required to employ at least one Sanitary Inspector Mudigere town with a present annual income of about Rs8,000/- (which is likely to increase hereafter) falls within the purview of this order

C 524-2 / 16 / 26



I inspected the town in the course of my tour last month and am convinced of the need for a whole-time Sanitary Inspector for the Municipality, - to hold charge of the duties pertaining to the supervision of conservancy, vaccination, registration of vital statistics and systematic routine sanitary inspections of dwellings I note that the Municipal Council propose to entrust him with the collection work, which may be done without prejudice to his legitimate sanitary duties, which are of primary importance

Rl 36-25

Sir,

I have the honor to forward herewith resolutions of the Municipal Council of Mudigere regarding the entertainment of a whole-time Sanitary Inspector exclusively for the Municipality.

2. The Municipality has to contribute a sum of Rs 420/- per annum -- Rs 265/- per annum towards the pay of the Taluk Sanitary Inspector and Vaccinator respectively It has also a Bill Collector on Rs 15/- per mensem or Rs 180/- per annum. The Municipality has thus to spend in all Rs 420/- plus 180/- plus 265/- or Rs 865/- As against this -- expenditure, the Municipal Council proposes to employ a whole-time Sanitary Inspector on Rs 35/- plus 10 conveyance allowance, per mensem and also to entrust the work of vaccination and collection to him

3. In my opinion, this proposal of the Municipal Council is not likely to affect the efficiency of the Municipal administration as the town is very small having only 270 houses and a population of 1400 souls, and one man can very well look after the work of Bill-Collector, Sanitary Inspector and Vaccinator. The subject was placed before the District Board for expression of their opinion. They have

have no objection to the Municipality employing a whole-time -- Sanitary Inspector for their work exclusively

4 I accordingly request that sanction of Government may kindly be obtained to the recommendation of the Municipal Council subject to the condition that the Municipality will engage a fully qualified Sanitary Inspector on the usual pay Necessary provision has been made in the Budget for the current year

Res.: Sanitation

1) Orders have been issued -

2) The papers of Sanitary Inspectors received from the Pundits of the Municipality are sent up. The Sanitary Inspectors now drawing as Municipal agents get Rs 40 pay + Rs 25- Municipal allce, + Rs 20/- conveyance allowance, or in all Rs 71/- per mensem. He is given a peon on Rs 10/- per mensem -

Under Sanitary orders of Govt, the municipal council has to pay half the cost of the establishment, ie. Rs $\frac{71+10}{2} \times 12$, or Rs 486/- during 1925-26 -

The Bill collector in the town is paid Rs 15/- per mensem, and the cart Rs 180/- per annum Co, - all, the municipal council has to pay Rs 486 + 180 = Rs 666/- during 1925-26 on the establishment -

There is no Vaccinator employed by the municipal council - The District Board Vaccinator has been attached to the Municipality work in the municipality. The Sanitary Inspector would oblige, has called upon

the municipal council to contribute
one half of the cost incurred by
the Taluk Board on that account -

The minimum pay of a
Sanitary Inspector is Rs 35/- +
Rs 10/- conveyance allowance. =
The municipal council proposes
to entertain one on this salary,
which costs it Rs 540/- per
annum, and thereby save
some expenditure by abolishing
the post of the Bill collector -

The municipal council is of opinion
that as Gudalur is a small
town, it is enough for one individual
to look after the (i) Sanitation,
(ii) collection, and (iii) vaccination
in the town -

If the proposal of the municipal
council is sanctioned (by Govt),
the Taluk Sanitary Inspector and
Vaccinator will have to be paid
solely out of the Taluk Board funds -
